## Hybrid Event:

Inperson and Online Access-Choose your experience

## ABOUT INFECT 2026

The Global Conference on Infectious Diseases (Hybrid Event), scheduled for August 17-19, 2026 in LONDON, UK and Online, is a landmark event for the infectious disease community providing a unique gathering space for thought leaders, researchers, healthcare practitioners, and policymakers from across the globe to address critical challenges in infectious disease prevention, treatment, and control. This conference offers an in-depth exploration of emerging pathogens, global preparedness, and cutting-edge innovations, providing an essential platform for knowledge exchange on a worldwide scale.

This event is a must-attend for professionals who are passionate about driving progress and implementing innovative solutions in infectious disease control and public health. Whether you attend in person or online, INFECT 2026 promises to be an invaluable experience, uniting minds and resources in the ongoing battle against infectious diseases on a global scale.

Come be a part of this transformative event and help shape a healthier world for all!!
